

I Melt

I want you to know the way I feel
When you hold me like you do
When you kiss me with your lips
When you caress me in your way
When you look at me with those eyes
Those dreamy eyes of yours

Chorus

I melt
I melt
I melt

You've earned my love try to keep it up
I feel so strong for you
Don't let me down, don't hurt me
I like china, so easily broken, so delicate to handle
So stick around and make me proud, coz

Chorus

Bridge

You're love is my addiction I just can't get enough
Without it I'm broken
You're in my mind, You're in my dreams
You're in my blood
Don't let me down, try to stick around
Keep me proud

Chorus

Do I have to tell you the way I feel about you
My eyes tell you, my spirit tells you my tears tell you,
Can you feel it, do you want it, do you really appreciate it

Chorus

Do I have to tell you the way I feel
When you hold me like you do
When you kiss me with those lips
When you caress me in your way
When I hear your voice, that beautiful voice of yours

Chorus
