

To Make You Mine

I know what you're doing
How you play me like a game
I don't know who you think you're fooling
But I still need you all the same

Pre Chorus
And I'll fight fire with fire
And water with water
I'll do what ever it takes
I'll do whatever it takes

Chorus
To make you mine
To make you mine
To make you mine
To make you mine
I'll do whatever it takes
I'll do whatever it takes

All I do is think about you
And how you're taken over me
But the road that I am runnin
Is getting longer every day

Pre Chorus
And I'll fight fire with fire
And water with water
I'll do what ever it takes
I'll do whatever it takes

Chorus
To make you mine
To make you mine
To make you mine
To make you mine
I'll do whatever it takes
I'll do whatever it takes
